Core Idea

I can order 김밥, but what if I want the egg and don't want the ham? Can I just say 햄 아니요?

햄 아니요 might get your meaning across, but it isn't a clear, complete request. Let's learn how to ask the shop to leave something out.

속재료 means the ingredients inside. We'll name four common fillings and use polite requests ending in 주세요.

빼 주세요. Please leave it out. Say the ingredient first, then 빼 주세요.
