02 · CORE EXPLANATION

What to Notice First

1. 안녕하세요. In beginner TOPIK listening, you do not need to catch every single syllable. If you know which noun or action verb to wait for, the right picture or place jumps right out at you.
2. That is the classic TOPIK trap. All four pictures might show the same object, or the same two speakers. The real answer comes from the action at the end, like handing over a card with 여기 카드요.
3. Let us try our first question right now. Listen closely to the four short turns between the woman and the man, and picture where they are standing and what passes between their hands.
4. 다음을 듣고 가장 알맞은 그림을 고르십시오. Read the four picture descriptions and choose the one that matches the dialogue.
