02 · CORE EXPLANATION

What to Notice First

1. 안녕하세요, I am Jiho. In TOPIK One reading, you will test your skills across three classic question types today: filling in the blank, checking a weekend notice, and finding the main topic.

2. Let us start with why fill-in-the-blank questions trip so many people up. Many learners read up to the blank, stop right there, and start guessing from the first sentence alone.

3. Exactly. Now let us try our first original exam item. First, read the passage on your screen carefully. Notice the blank marked with 기역 inside the parentheses, and pay special attention to the sentence right after it.

4. Here are your four choices, A through D. Choose the best word for the blank 기역. You have six seconds.
