02 · CORE EXPLANATION

What to Notice First

1. Exam graders love hearing that variety. If every single sentence ends with 주세요, your grammar range stays flat. Using 주세요 for the main order and 주실 수 있어요? for your extra request immediately boosts your language score.

2. And to wrap up your role-play cleanly, tell the staff how you will pay with 카드로 계산할게요, which means I'll pay by card. Adding that final line makes your response sound like a real conversation from start to finish.

3. Now let's look at today's official Task 2 speaking prompt. Remember, in the real test you look at the pictures and read the Korean situation. I will read the full situation on the card in Korean first.

4. You have 20 seconds to organize your thoughts. Walk through Picture 1, Picture 2, and Picture 3 in order. Your 20-second preparation timer starts now.
