02 · CORE EXPLANATION

What to Notice First

1. 안녕하세요, I am Jiho. In TOPIK Level Two listening, the speakers almost never say the name of the building out loud. Instead, they drop action words and objects that belong to only one place.

2. So let us train your ears to separate the shared counter words from the true signature words. Here is Item One, a place question. Listen carefully to the whole conversation.

3. 여기는 어디입니까? Choose the correct place from the four options.

4. The correct answer is Option A, 은행, the bank. Even before the counter is mentioned, the woman gives us the exact task she came to do.
